

REGIONAL WINTER FORUM 2013

Feb 21st-23rd, Cluj Napoca

EVIDENCE BASED MEDICINE IN INFERTILITY – FROM CLINICAL STUDIES TO INDIVIDUALS

Organized by
Romanian Society of Obstetrics and Gynecology
in collaboration with
**Polish Gynecological Association Section of Fertility and
Sterility**

Thursday, Feb 21st

19.15 **Opening ceremony**

Florin Stamatian – Welcome from local Organizing Committee

Rafal Kurzawa – Welcome from Polish Gynecological Association

Paul Devroey – Winter Forum as regional meeting

20.00 **Dinner**

Session I – Evidence-based medicine

Chairmen: *Paul Devroey (Belgium), Florin Stamatian (Romania)*

- 8.30 – 8.55 Understanding evidence - *Hans Evers (The Netherlands)*
- 8.55 – 9.20 Embryo quality and implantation - *Soren Ziebe (Denmark)*
- 9.20 - 9.45 Megaset – new relevant data for infertility treatment - *Bulent Urman (Turkey)*
- 9.45 – 10.00 Panel discussions
- 10.00 – 10.30 **Coffee break**

Session II – From consensus meetings to clinical practice

Chairmen: *Peter Platteau (Belgium), Soren Ziebe (Denmark)*

- 10.30 - 10.55 Assessing embryo competence - finding a common language, relevant in the real world
Basak Balaban (Turkey)
- 10.55 - 11.20 AMH and others markers – practical guidelines for treatment decision
Krzysztof Lukaszuk (Poland)
- 11.20 – 11.45 Therapeutic strategies in poor ovarian reserve - from evidence to clinical practice
Laura Dracea (Romania)
- 11.45 – 12.10 Ovarian endometriosis and ovarian reserve - the role of surgery - *Koray Elter (Turkey)*
- 12.10 – 12.30 Panel discussions
- 12.30 - 13.30 **Lunch**
- 13.30 – 14.30 **Commented posters session**

Session III – Meet the experts

- 14.30 - 16.00 **Workshop 1** (clinicians) – **Moderators:** *Paul Devroey, Hans Evers*
Debate: Mixed protocols - *Alan Penzias (USA)*
Monotherapy protocols - *Peter Platteau (Belgium)*
Individualization, case studies
- 14.30 - 16.00 **Workshop 2** (embryologists) - **Moderators:** *Basak Balaban, Soren Ziebe*
Embryological aspects of ART (non-top quality embryos, protocols and oocytes quality, new techniques)
Gonadotrophins stimulation-oocytes/embryos quantity and quality - *Diana Cocei (Romania)*
- 16.00 – 16.30 **Coffee break**
- 16.30 - 18.00 **Workshop 3** (all) – **Moderators:** *Bulent Urman, Soren Ziebe*
Clinical aspects of non-success (cancelled cycle, repeated implantation failure, early pregnancy loss, miscarriage)
Embryo transfer techniques - *Grzegorz Mrugacz (Poland)*
The role of endometrial assessment in IVF outcome – *Dragos Albu (Romania)*
Therapeutic approaches for implantation optimization - *Romeo Micu (Romania)*
- 19:30 **Dinner**

Session IV – From efficacy to safety

Chairmen: *Alan Penzias (USA), Bogdan Marinescu (Romania)*

8.30 - 8.55 Progesterone in all its aspects – not so much during ovarian stimulation...

Peter Platteau (Belgium)

8.55 – 9.20

Progesterone in all its aspects – ...but useful in obstetrics – *Florin Stamatian (Romania)*

9.20 – 9.45

OHSS free clinic - *Paul Devroey (Belgium)*

9.45 - 10.00

Panel discussions

10.00 - 10.30

Coffee break

Session V – PCOS

Chairmen: *Leszek Pawelczyk (Poland), Mesut Oktem (Turkey)*

10.30 - 10.55

PCOS – how much the endocrine disturbances count for infertility treatment outcome

Alan Penzias (USA)

10.55 - 11.20

Oocytes quality of PCOS patients - *Mihai Surcel (Romania)*

11.20 - 11.45

Gonadotrophins with LH activity in PCOS - *Gogsen Onalan (Turkey)*

11.45 - 12.10

IUI - is it reliable? What is the place of IUI in infertility treatment?

Rafal Kurzawa (Poland)

12.10 – 12.30

Panel discussions

12.30 - 13.30

Lunch

13.30 – 14.30

Commented posters session

14.30 – 15.00

Coffee break

Session VI – Meet the experts

15.00 - 17.00

Workshop 4 (all)

Moderator: *Edgar Mocanu (Ireland)*

Patient centred ART – synergizing our efforts

Comparative legislations in Central-Eastern Europe countries

Nicoleta Cristea-Brunel (Romania)

Regulations and practice of IVF in Turkey - *Kubilay Vicdan (Turkey)*

17.00 - 17.15

Closing remarks - *Paul Devroey, Florin Stamatian, Rafal Kurzawa*

20:00

Gala Dinner
